공방의 마녀

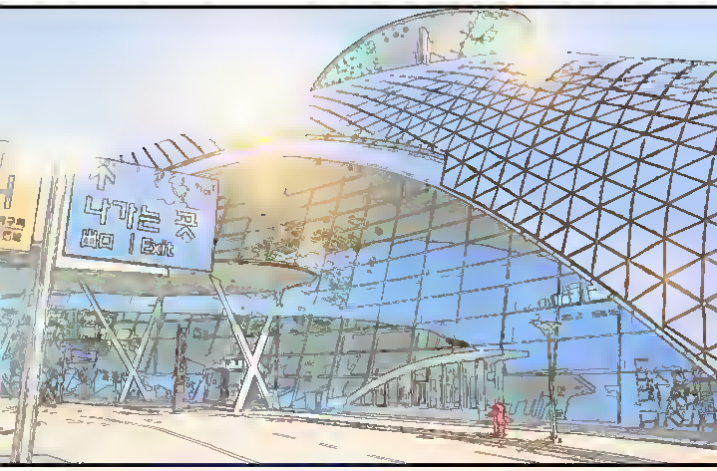
4화

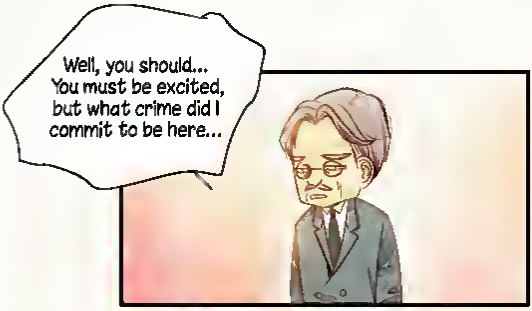


Hahaha~ I am finally here!

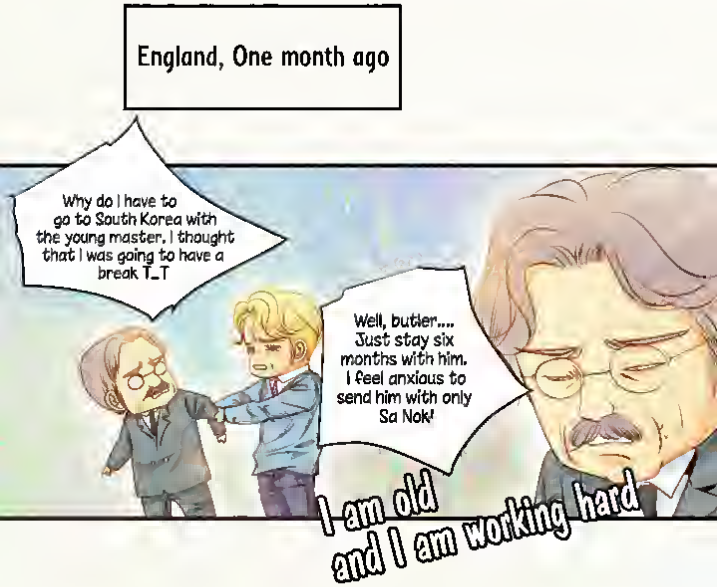
South Korea, the place I've been dreaming about!

I didn't

I can do everything I want! Like watching Korean TV dramas!
I am going to eat chicken and drink beer and I am going to go to a sauna and go to a pork belly restourant!
Yay
I am going to the broadcasting stotion and go to Gang Nam and go to In Sa Dong, too! Yahoo-!

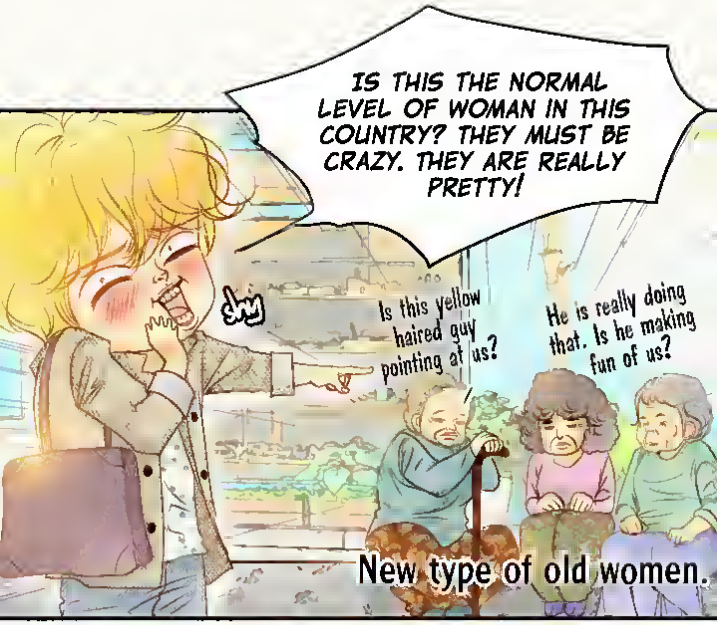


Well, you should... You must be excited, but what crime did I commit to be here...

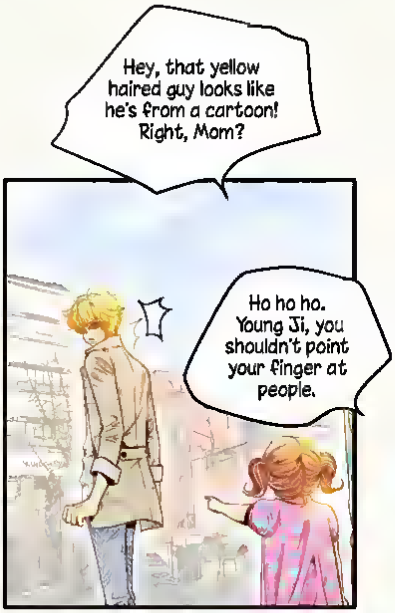


England, One month ago
Why do I have to go to South Korea with the young master. I thought that I was going to have a break T_T
Well, butler.... Just stay six months with him. I feel anxious to send him with only Sa Nok!
I am old and I am working hard

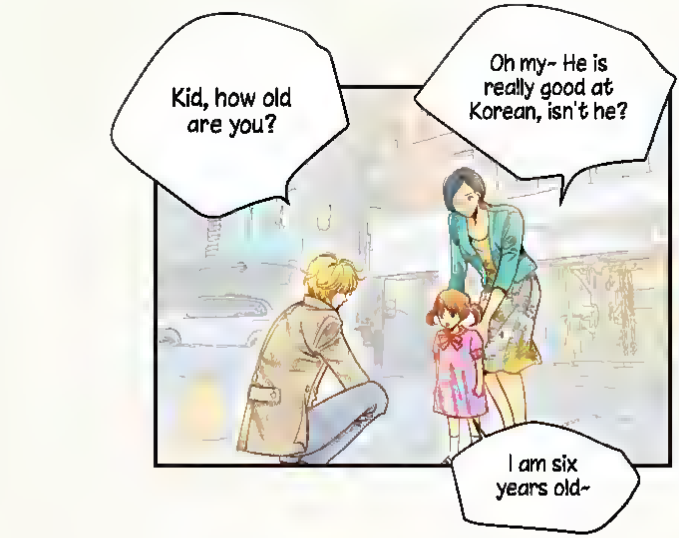
UWA UWA, JAMES! DID YOU SEE, DID YOU SEE?
What...
frivolous
I didn't know....
such beauty existed in this world...!



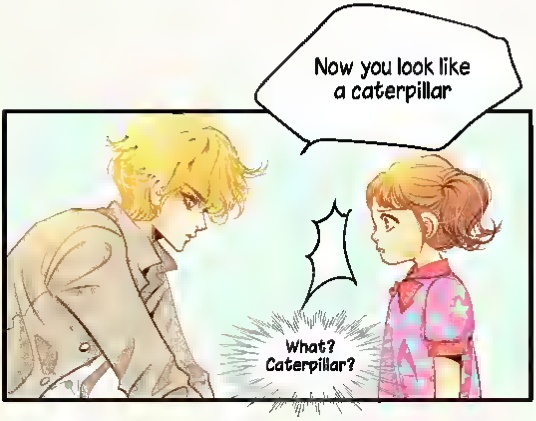
IS THIS THE NORMAL LEVEL OF WOMAN IN THIS COUNTRY? THEY MUST BE CRAZY. THEY ARE REALLY PRETTY!
Is this yellow haired guy pointing at us?
He is really doing that. Is he making fun of us?
New type of old women.



Hey, that yellow haired guy looks like he's from a cartoon! Right, Mom?
Ho ho ho. Young Ji, you shouldn't point your finger at people.



Kid, how old are you?
Oh my~ He is really good at Korean, isn't he?
I am six years old~



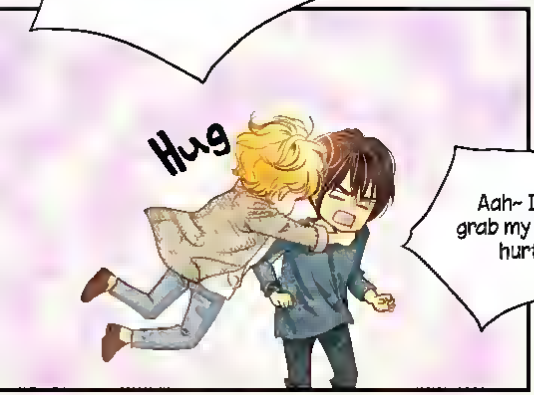
Now you look like a caterpillar
What? Caterpillar?

When you will have lived for 70 years, you can be beautiful just like them. Don't be too disappointed, okay?
Wink
Do you trust me?
That yellow hair is saying something about us again?
English people are really rude- They are bad!
Who is this weird guy
Why are you blaming me, when your child is ugly
WHAT KIND OF PERSON ARE YOU?! I AM LOST FOR WORDS! HOW COULD YOU SAY THAT MY KID LOOKS LIKE A CATERPILLAR?!
Don't worry, she is going to be pretty when she becomes old
I am a caterpillar T_T

Why do you have so much luggage? You sent containers full of your things before you arrived, too
As soon as I have a high title as a genius noble painter, I will need many things!
Yes....Sure....
Although I was not with you, you got here safely.
Sa Nok...?!
WHY ARE YOU HERE?

Ryuuuuuuuuuuu...
I wanted to see you, Ryu
Don't come, don't come
Ah~ He is really hyper-emotional.

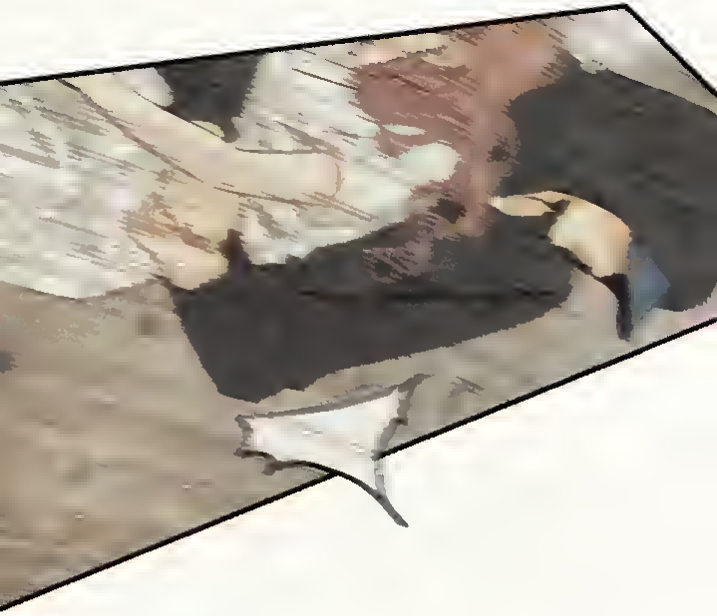
How have you been? Great to see you, great to see you! Did you miss me?

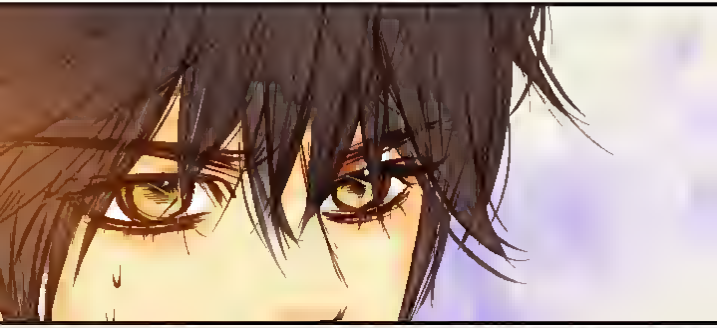


Aah~ Don't grab my arm. It hurts!

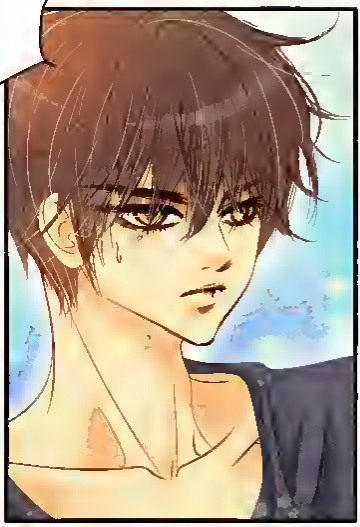
Huh? Did you hurt it when you were doing a part time Job? You said that you are poor, so you probably didn't go to the hospital, right?

WHAT DOES THAT MEAN?! I WAS ORGANIZING YOUR LUGGAGE AND I BECAME LIKE THIS!





I just sprained it... so don't worry about it.



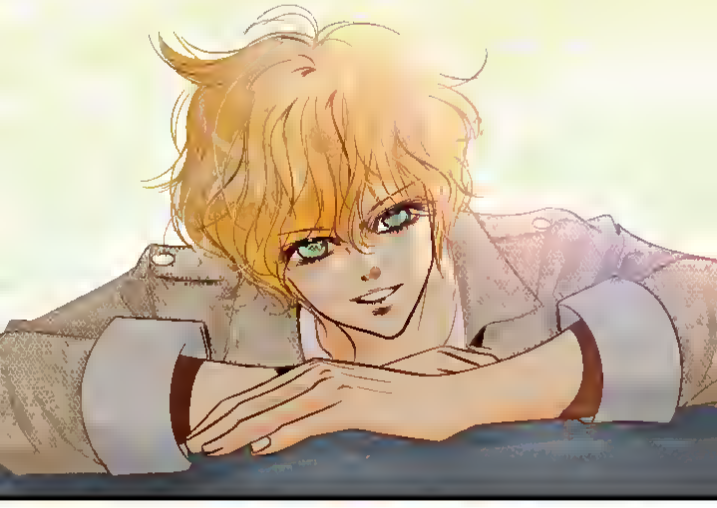
Now, let's go to that high prized villa that the duke and you chose. You have to check that it is all decorated after your fancy.

beep

Uwa, we are already leaving?

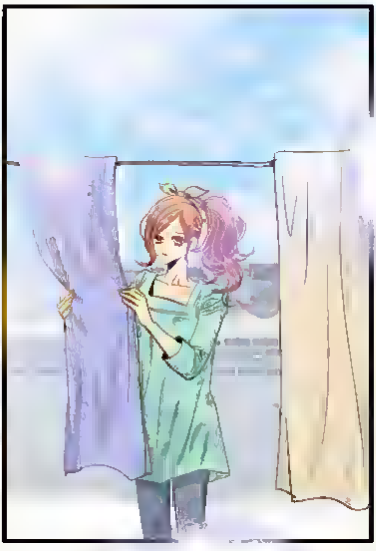
Of course we have to go. Aren't you tired? You were on a plane for over 12 hours...
I... have somewhere I want to go to first, Ryu

I want to see her workshop.
Even if it's from far away

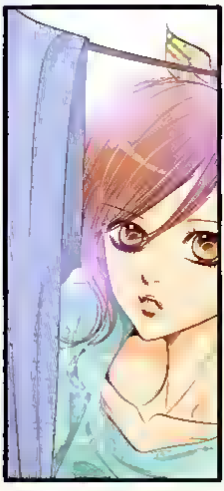


Midan, Hang this up~
Midan Workshop

It looks like the rain got through the wall of the workshop. Some clothes got wet. Let's dry them when the sun is out.
Yes, grandmother



That person....

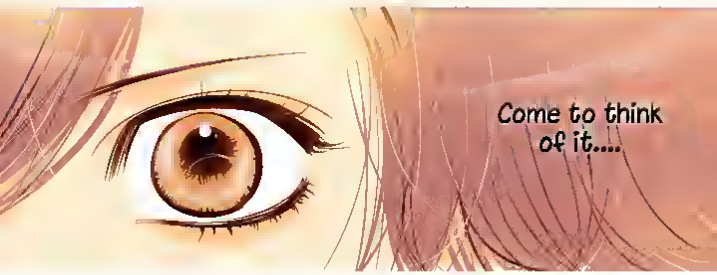


He saved me and he ran away like that

LOOK, LOOK, THANK YOU. LET ME SAY THANK YOU

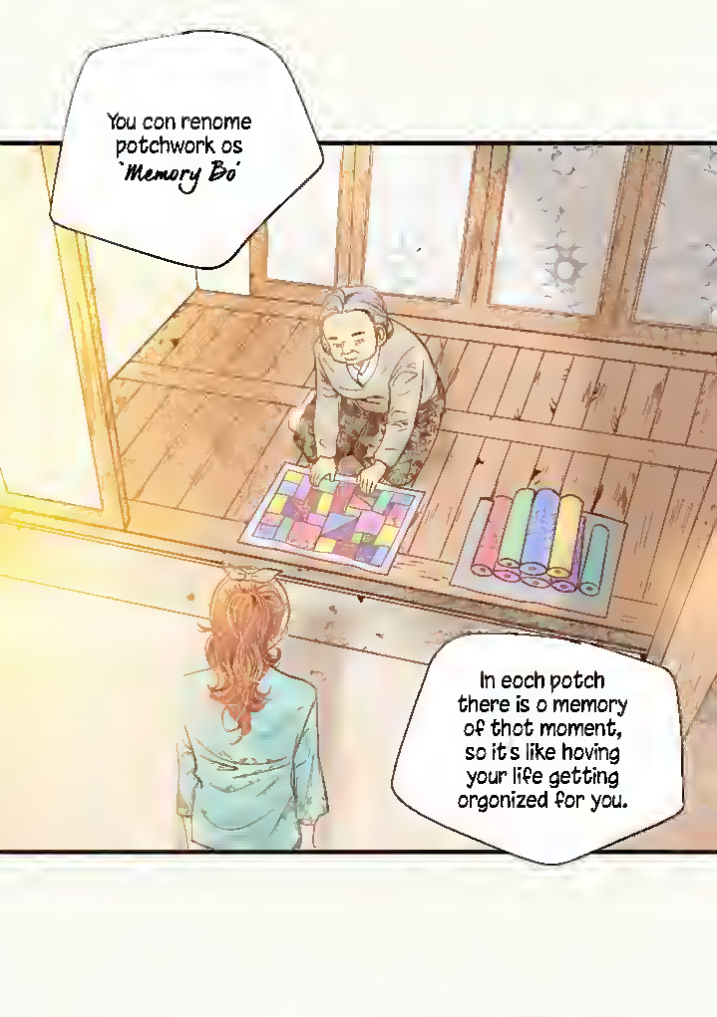
HEY, HEY!

Why did he leave like he was being chased...?



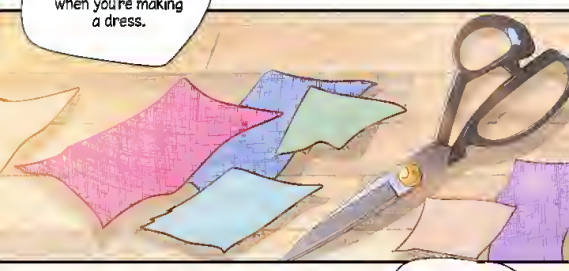
I THINK SOMETHING LIKE THIS HAPPENED WHEN I WAS YOUNG...
DEFINITELY...

Your mother told me



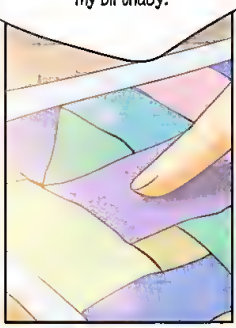
You can rename patchwork as 'Memory Bo'
In each patch there is a memory of that moment, so it's like having your life getting organized for you.

Patchwork clothes are made with the fabric that you leave when you're making a dress.

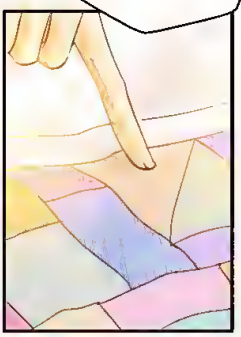


There is the feeling of that time on it still

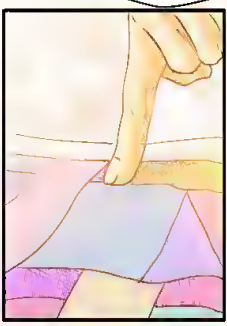
Yes, this patch is from my romie vest that your mother made for my birthday.



Ah, this is from my korean traditional style one piece that mom made for me when I started kindergarten

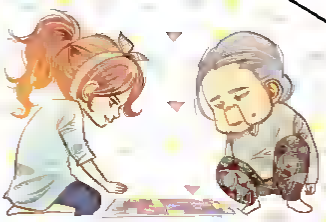


Yes, and this is from my birthday five years ago... She made me a traditional korean jacket



And this is the rag that she made for you to wear on a date with the old guy Bak from the supermarket, right?

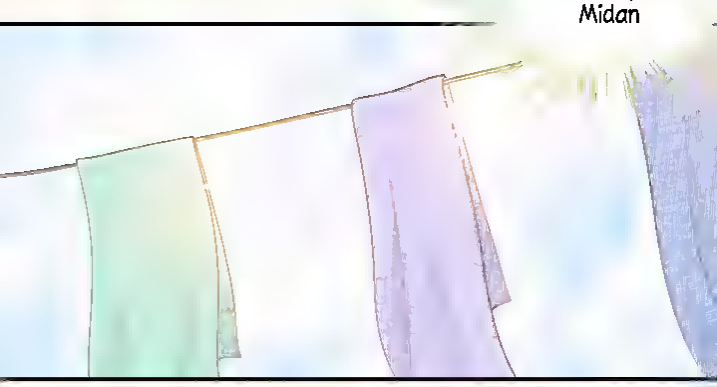
HEY DON'T MAKE ME THINK ABOUT THE PAST. I HAVE MEMORIES THAT I DON'T WANT TO REVISIT.



That shitty Bak...

MOM TOLD ME

Look, Midan

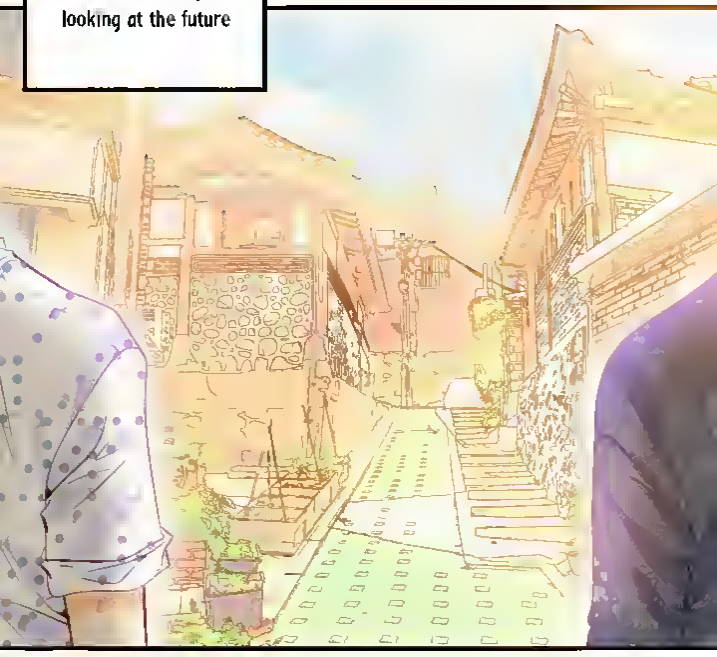


Before a person's life completely changes...
Does the world alert you before that happens?

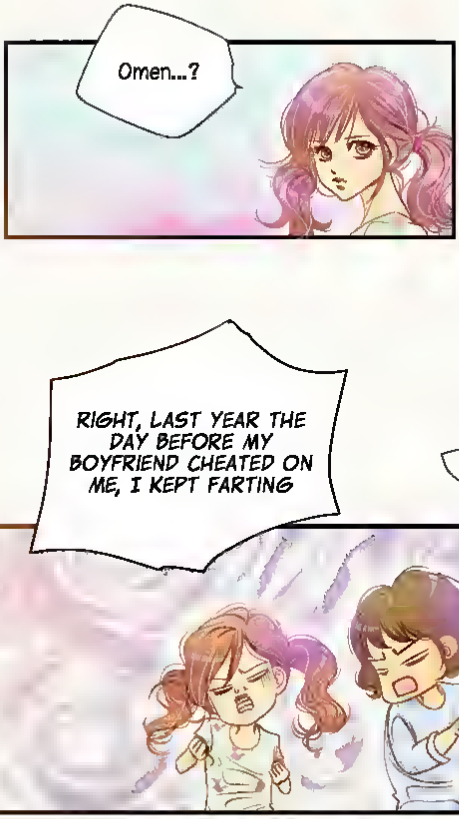
They all alert everybody fairly

But only very few can realize it.

So we are not looking at the future



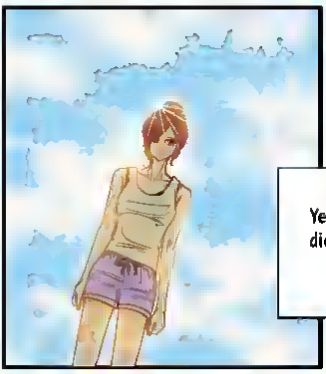
We are only reading 'omen'



Omen...?
RIGHT, LAST YEAR THE DAY BEFORE MY BOYFRIEND CHEATED ON ME, I KEPT FARTING
HEY, NOT SOMETHING LIKE THAT!

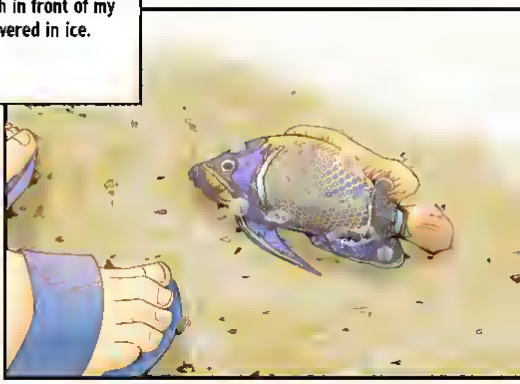
Before your father died, in this garden

Did you know that I saw a butterfly who had different patterns on each of its wing

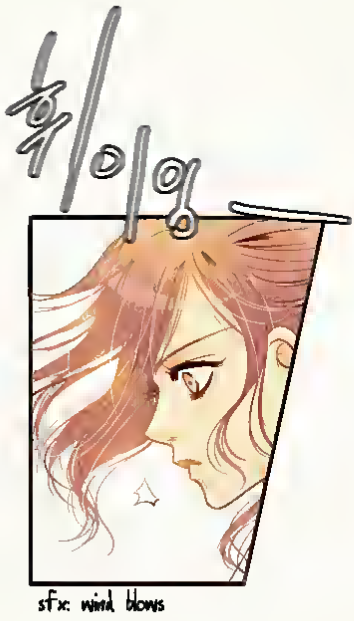


Yes, before the day mom died, on that hot sand of southern country

I saw a dead fish in front of my room still covered in ice.

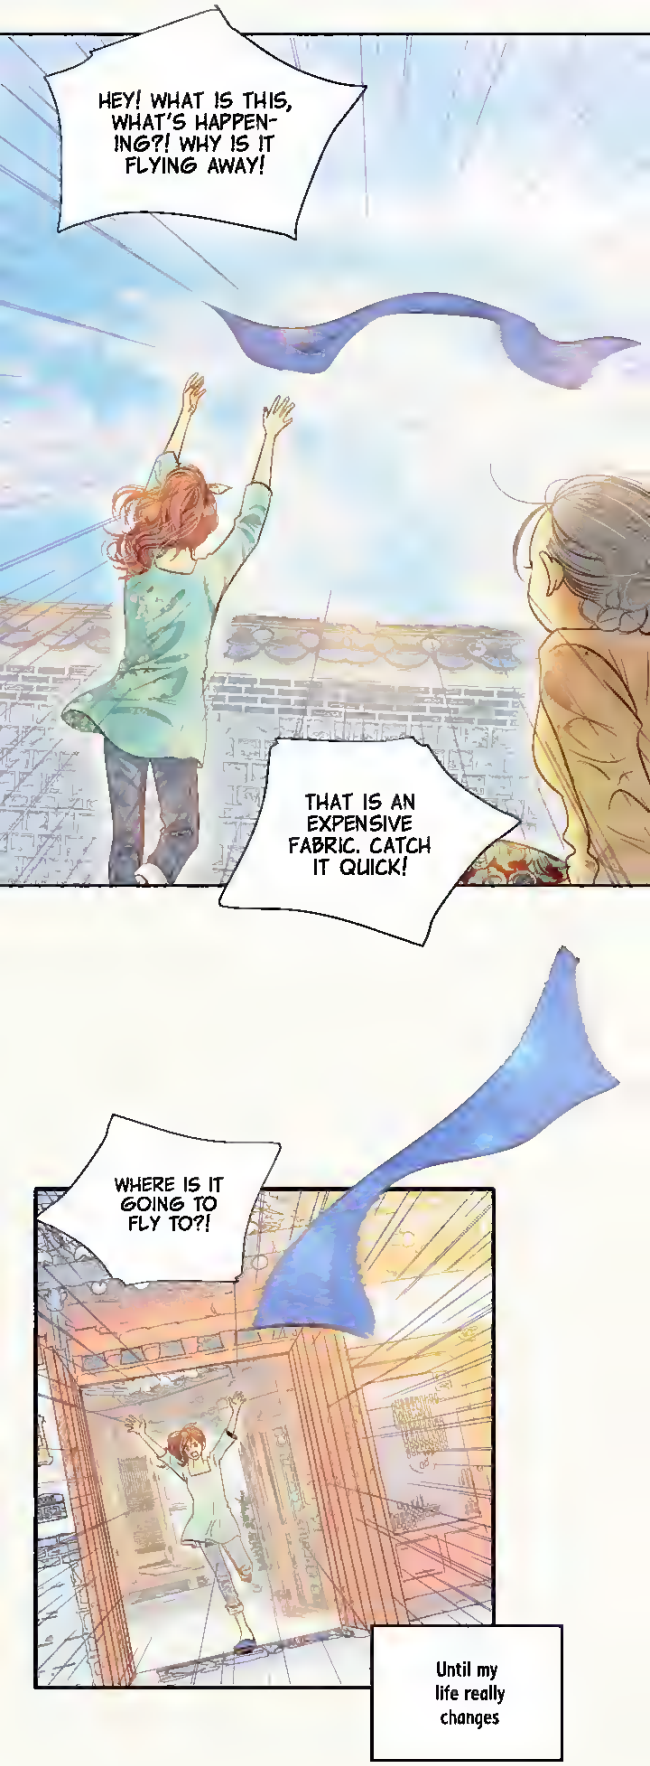


Why didn't I realize that this was an amen.



sFx: wind blows

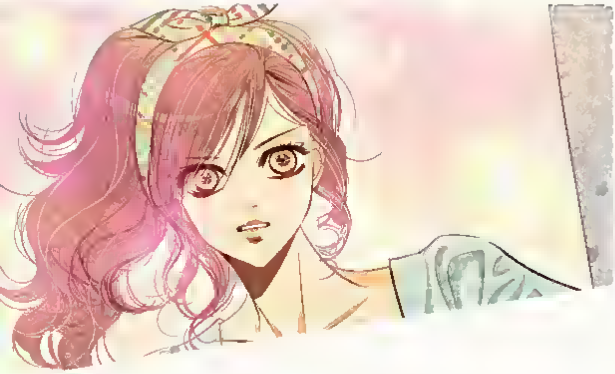
Hey~



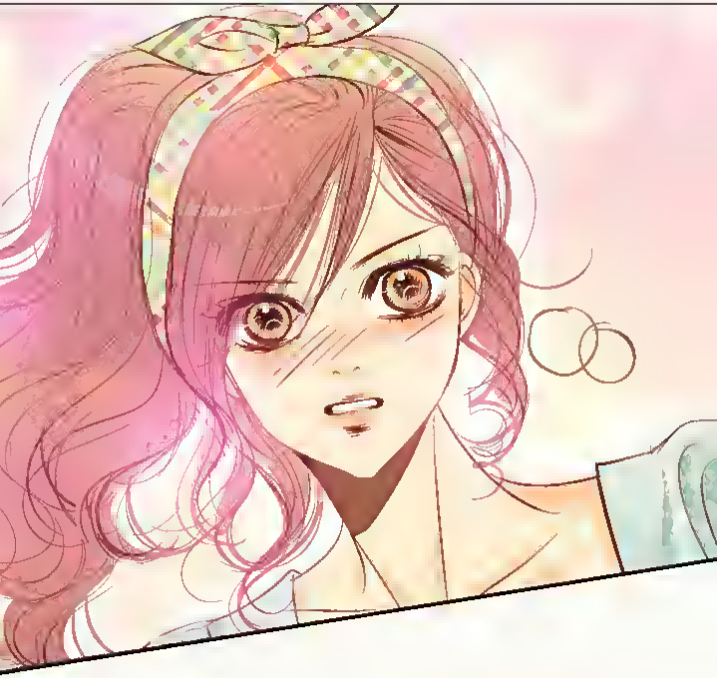
HEY! WHAT IS THIS, WHAT'S HAPPENING?! WHY IS IT FLYING AWAY!
THAT IS AN EXPENSIVE FABRIC. CATCH IT QUICK!
WHERE IS IT GOING TO FLY TO?!
Until my life really changes

If the world
shows me
on omen

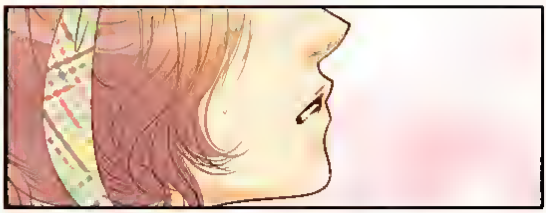
Before my life changes,



What omen will I see...?

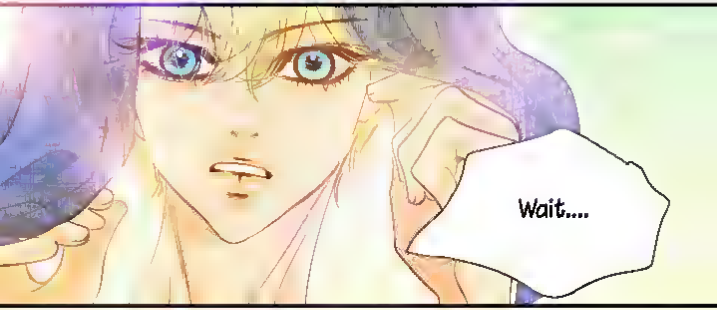


That,
look...



Why can't I say
anything...?

Give it to me
It's mine...
.....?



Wait....

Damn it

Hey, Allen, give her that, and let's go home now
Is this right? You are...
pause

...To be continued
